

# Conti Urban HA3

Premium urban bus and garbage truck **steer/all position** tyre

- Maximum safety thanks to a wider tread width which ensures excellent cornering stability
- Advanced tread design and compound ensures excellent grip on both wet and dry roads
- Increased durability due to increased sidewall thickness and a higher casing wire density
- Optimised for electric city buses, with a higher load carrying capacity

## Technical data

Tyre Size	Load & Speed	Ply Rating	Type	Tread Depth (mm)	Overall Inflated Diameter (mm)	Section Inflated Width (mm)	Rec. Rim (inches)	Rolling Circ. (mm)	Maximum Axle Load @ Inflation Pressure			
									Single		Dual	
									KG	PSI (BAR)	KG	PSI (BAR)
275/70R22.5	150/145J	16	TL	18.1	974	279	7.5	2920	6700	131 (9.0)	11600	131 (9.0)

## Applications

Urban Bus

Cement Mixer

Garbage/Waste Transport

School Bus
